LEGAL NOTICES

STATE OF FLORIDA
DEPARTMENT OF
ENVIRONMENTAL PROTECTION

The Department of Environmental Protection gives notice of a draft National Pollutant Discharge Elimination System (NPDES) permit renewal (DEP File No. FL0001562-012-IWIN) for the wastewater treatment and effluent disposal facilities for three steam-electric generating units (Units 3, 4, and 5) at the Turkey Point Power Plant. The power plant is owned and operated by Florida Power & Light Company (FPL) and located at 9760 SW 344 Street, Florida City in Miami-Dade County, Florida. in Miami-Dade County, Florida. This renewal permit requires additional monitoring for the wastewater treatment and effluent disposal facilities and new monitoring for groundwater and surface waters adjacent to those facilities.

Any interested person may submit written comments on the Department's draft permit revision to the Department of Environmental Protection, Bob Martinez Center, Industrial Wastewater Program, 2600 Blair Stone Road, Mail Station 3545, Tallahassee, Florida 32399-2400, Attention: Mr. Marc Harris, P.E., in accordance with Rule 62-620.555, Florida Administrative Code (F.A.C.). The comments must contain the information set forth below and must be received in the Department's Industrial Wastewater Program within 30 days of publication of this notice. Failure to submit comments within this time period shall constitute a waiver of any right such person may have to submit comments under Rule 62-620.555, F.A.C.

The comments must contain the following information:

(a) The commenter's name, address, and telephone number; the applicant's name and address; the Department permit revision file number; and the county in which the project is proposed;

(b) A statement of how and when notice of the Department's action or proposed action was received;

(c) A statement of the facts the Department should consider in making the final decision;

(d) A statement of which rules or statutes require reversal or modification of the Department's action or proposed action; and

(e) If desired, a request that a public meeting be scheduled including a statement of the nature of the issues proposed to be raised at the meeting. Any person may submit oral or written statements and data at the public meeting on the Department's proposed action.

The Department will be scheduling a public meeting on this draft renewal permit. A separate public notice announcing the date, time and location of the meeting will be published at least 30 days before the scheduled date. As a result of significant public comment, the Department's final action may be different from the position taken by it in this draft renewal permit.

The permit renewal application file and supporting data are available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Florida Department of Environmental Protection, Bob Martinez Center, Industrial Wastewater Program, 2600 Blair Stone Road, Tallahassee, Florida 32399-2400, Phone Number: (850) 245-8589.
